

Office of Student Affairs, NTU

Center for Student Well-Being

Center for Student Well-Being (CSW) was established in 2021, and the Campus Advisors of CSW are in charge of every college. As a part of Office of Student Affairs, also a symbol of 'hub' & 'merry-go-round' center, we aim to facilitate students' accessibility to resources, and through individual consultation to understand their needs, providing them with the relevant support and assistance.
